Friends of Oil Creek State Park

Presents

Chicks-in-the-Sticks

A Series of Outdoor Workshops Designed for Women

Chicks-in-the-Sticks is designed to be a fun day for women to try new things, brush up on old skills, and meet new people.

Our goal is to have participants become knowledgeable in an outdoor activity through a hands-on experience and have an opportunity to take away a product or skill.

Classes include things like Archery, Basic Kayaking, Walking Stick Making, Fly Casting, Bike Maintenance and Riding Skills, Bird Identification Techniques, Dutch Oven Cooking, Herb Walk, Medicinal Uses of Herbs, Art of Wood Burning, Pottery, Wool Felting and others.

See our website friendsocsp.org for a complete list.

Saturday, June 17, 2017

8 am to 5 pm

Registration begins April 15, 2017, deadline is June 2, 2017
