

# **Directions to West Side Oil Creek State Park**

## **Petroleum Center Bridge is Closed**

### **West Side Locations**

**Blood Farm Day Use Area**  
**Wildcat Hollow Group Camping Area**  
**Wildcat Hollow Environmental Education Center**  
**Train Station Visitors Center**  
**Gerard Hiking Trail (West Side) and Wolfkiel Shelters**

#### **From the Northwest**

Take State Rt 8 south from Titusville approximately 10 ½ miles to the park entrance detour signs. Look for the Oil Creek State Park sign and turn left onto State Park Road. Follow this road approximately ¾ miles to Blood Farm continue on about 3 miles to the Train Station and Wildcat Hollow.

#### **From the South**

**For west side locations ignore the detour directions at Rouseville Rt 227.**

Take route 8 north from Oil City (approximately 4 miles) to the park entrance at State Park Road. Follow this road approximately ¾ miles to Blood Farm Day Use Area continue on about 3 miles to the Train Station, and Wildcat Hollow.

#### **Gerard Hiking Trail**

The west side trail can be accessed at both Blood Farm and the Train Station area.

#### **Parking:**

Parking is available at both Blood Farm and the Train Station.

Due to the bridge closure at Petroleum Center use East Side Directions to get to:

**Park Office**  
**Egbert Farm Day Use Area**  
**Bike Trail Head**  
**Cross Country Ski Trails**  
**Gerard Hiking Trail (East Side) and Cow Run Shelters**  
**Delayed Harvest Fishing Area**
