

# SUN VALLEY NORDIC, LLC

The **ToKo Wax System** has been designed from 100 years of Swiss Technology and Research for top quality and ultimate performance for waxable and no wax cross country skis. This system is simplified by using a 3 color wax and universal system with a wider range of snow and air temperatures. We wish you every success and much pleasure using their products. For more information go to [www.tokous.com](http://www.tokous.com) (click on the "Nordic" button)
