This is a one day event in which each woman can participate in up to four activities related to the great outdoors. Each class is, a “hands on” experience and taught by an experienced instructor. All equipment and supplies are provided.

The purpose of this event is to introduce women to a variety of outdoor related activities they can continue to pursue on their own if desired.

This is an annual event at the park. Our last event offered 21 classes and was attended by 89 participants, 27 instructors and 22 volunteers. The cost to the participants is \$50. An auction and drawing will be held.

Thank you for your consideration!
